The rules of procedure the shareholders' electronic forum are available on the Company's corporate website (www.unicajabanco.com).

Procedure to appoint a proxy

Pursuant to Article 11 of the General Meeting Regulations, shareholders may exercise their right to attend in person or to be represented at the General Meeting by another person, whether or not a shareholder. The proxy must be appointed in writing or by remote communication means, with

special status for each Meeting, except if the appointed proxy is the spouse, ascendant or descendant of the person represented or of it is general proxy, in a public document, to manage all the assets that the shareholder has in Spain.

When a proxy is appointed by remote means of communication, it will only be considered valid if it is performed by:

a) Postal delivery or correspondence.

The proxy will be appointed by filling in the space allocated for that purpose on the card provided by the depository entity or on that made available to shareholders by the Company through its corporate website (www.unicajabanco.com) under the section General Meeting of Shareholders. The shareholder may obtain the proxy card of the Company by downloading it from the website; by withdrawing it at the registered office; or may request its free shipping to the "Shareholder and Bondholder Service Office".

The attendance, proxy and voting card, duly completed and signed by an autograph, must be sent to the Company to the following address: Unicaja Banco, S.A. - "Shareholder and Bondholder Service Office "; Avenida de Andalucía, 10-12, 29007-Málaga.

b) Electronic means.

The appointment of proxies and notification to the Company may be made electronically through the system enabled for this purpose on the Company's corporate website (www.unicajabanco.com) from 15 July 2019. It explains in detail the procedure to be followed by the shareholder to exercise this right. The shareholder must provide proof of his/her identity by means of a valid electronic Spanish identity document (DNI) or by means of a recognized electronic certificate, which does not include its revocation, issued by the Fábrica Nacional de Moneda y Timbre (FNMT).

A proxy may represent several shareholders, being able to cast votes in different directions, depending on the instructions given by each shareholder, but a shareholder may not grant representation to more than one proxy.

The proxy may attend the General Meeting, as long as he/she reaches the minimum number of shares that confer the right to attend, delivering the attendance and proxy cards, signed by the shareholder, at the tables for the registration of shareholders.

The shareholder entrusting his/her representation must inform the appointed proxy of the representation he/she has been given in his/her favor and, where appropriate, the voting instructions. When the representation is granted in favour of a member of the Board of Directors, the communication shall be understood to be made through reception at the registered office.

Conflict of interest of the proxy director

For the purposes of articles 523 and 526 of the Corporate Enterprises Act, it is noted that if the proxy is a director of the Company, he/she may be in a situation of conflict of interest in relation to the proposed resolutions formulated by the Board, as well as to proposals or items that, although not included on the agenda, may be submitted to voting at the Meeting, as permitted by Law.

Remote voting

Pursuant to Article 23 of the General Meeting Regulations, shareholders may cast their votes on proposals related to items included on the agenda without having to attend in person and will be considered as present for the purpose of setting up the General Meeting of Shareholders in question. Shareholders have the following means:

a) Postal delivery or correspondence

The same procedure as that established for remote appointment of a proxy will be followed.

If the card does not indicate the direction of the vote, it will be understood in any case that the shareholder votes in favour of the proposed resolutions formulated by the Board of Directors on the item of the Agenda published in the call.

b) Electronic means

The vote may be issued electronically through the system enabled for this purpose on the Company's website (www.unicajabanco.com) from 15 July 2019. It explains in detail the procedure to be followed by the shareholder to exercise this right. Shareholders who wish to use this voting procedure must prove their identity by means of a valid electronic Spanish identity document (DNI) or by means of a recognized electronic certificate, which does not include its revocation, issued by the Fábrica Nacional de Moneda y Timbre (FNMT).

Common rules to the exercise of rights of proxy and voting by remote communication means

Verification of details

The Company reserves the right to verify the identity of the shareholders and their proxies, to verify ownership (by contrasting the information provided by each shareholder with that provided by the institution in charge of the accounting registry of Company's shares) as well as the legitimacy of their rights and to admit the validity of the document of attendance or proxy, and should only consider as invalid that document which lacks the minimum essential requirements and provided that these cannot be solved.

Legal persons

In the case of shareholders who are legal persons, the Company reserves the right to request evidence of the sufficiency and validity of the power of the individual acting on behalf of the shareholder.

Deadline for reception by the Company

For it to be valid, the proxy and/or the vote issued by any of the aforementioned means of remote communication must be received by the Company before midnight (24) of the day before the date scheduled for holding of the General Meeting on first call.

Revocation and priority

Attendance to the General Meeting by the represented shareholder, physically or by casting a remote vote, means the revocation of any proxy, regardless of the date and form thereof.

The proxy and the exercise of the right to vote issued by means of remote communication are always revocable. The revocation of the proxy and the exercise of the vote issued by means of remote communication will only take place through the attendance of the shareholder at the General Meeting.

The casting of vote and the delegation of proxy by electronic means shall prevail, in any case, over those which the same shareholder may make by postal delivery or correspondence.

Service availability

The Company reserves the right to modify, suspend, cancel or restrict the mechanisms of electronic voting and proxy if so required or imposed by technical or security reasons.

The Company shall not be liable for the damages that may be caused to the shareholder arising from faults, overloads, failure in the lines of communication, connection failures, malfunction of the postal service or any other possibility of the same or similar nature, unrelated to the will of the Company, which could hinder or prevent the shareholder from exercising their voting or representation rights by means of remote communication.

Live broadcast

The General Meeting will be broadcasted through the corporate website (www.unicajabanco.com).

Notary Attestation

The Board of Directors has agreed to request the presence of a Notary to draw up the minutes of the Meeting.

General Meeting, recognised in the rules and principles of transparency and good corporate governance which are applicable to it, as well as in the consent of the attendee to the General Meeting.

In the case that natural persons different from the holder or, as the case may be, a third party different from the shareholder, attend the General Meeting, the shareholder must inform them of the topics mentioned in the paragraphs above related to the processing of personal data, must obtain the consent of the proxy appointed and meet any other requirement which may be applicable for the correct transfer of personal data to Unicaja Banco, which will not have to do any additional action with regard to the interested parties.

The data will be accessible to the Notary who will attend the General Meeting, and may be provided to third parties in the exercise of the right to information provided by law or available to the public insofar as they appear in the documentation available on the website (www.unicajabanco.com) or are stated in the General Meeting whose development will be the object of audiovisual recording and public dissemination on said website.

The processing of the personal data is necessary for the mentioned purposes and is based on the relationship as shareholder and on the compliance with legal obligations.
