Capital generation⁽¹⁾

€1.5bn

2022-2024E

ROTE

(adj. excess capital)⁽²⁾

>8%

2024E

(1) It includes shareholder remuneration and CET1-FL increase during 2022-24, (2) Excess capital over the 12.5% CET1 target (deducting AT1 coupons). ROTE without deducting excess capital would be >7.5%

While these forward looking statements represent Unicaja Banco's judgment and future expectations concerning the development of its business, a certain number of risks, uncertainties and other important factors could cause actual developments and results to differ materially from the current expectations of Unicaja Banco and its affiliates. These factors include, but are not limited to, (1) general market, macroeconomic, governmental, political and regulatory trends; (2) movements in local and international securities markets, currency exchange rate and interest rates; (3) competitive pressures; (4) technical developments; and (5) changes in the financial position or credit worthiness of Unicaja Banco's and its affiliates customers, obligors and counterparts. These and other risk factors published in past and future filings and reports of Unicaja Banco, including those with the Spanish Securities and Exchange Commission (**CNMV**) and available to the public both in Unicaja Banco's website (<https://www.unicajabanco.com>) and in the CNMV's website (<https://www.cnmv.es>), as well as other risk factors currently unknown or not foreseeable, which may be beyond Unicaja Banco's control, could adversely affect its business and financial performance and cause actual results to differ materially from those implied in the forward-looking statements.

Market and competitive position data in the Presentation has generally been obtained from industry publications and surveys or studies conducted by third-party sources. Peer firm information presented herein has been taken from peer firm public reports. There are limitations with respect to the availability, accuracy, completeness and comparability of such data. Unicaja Banco has not independently verified such data and can provide no assurance of its accuracy or completeness. Likewise, certain statements in the Presentation regarding the market and competitive position data are based on the internal analyses of Unicaja Banco, which involve certain assumptions and estimates. These internal analyses have not been verified by any independent source and there can be no assurance that the assumptions or estimates are accurate. Accordingly, undue reliance should not be placed on any of the industry, market or Unicaja Banco's competitive position data contained in the Presentation.

This Presentation includes accounts and estimations issued by the management, which may have not been audited by the Company's auditors. In addition, this document includes certain Alternative Performance Measures (**APMs**) as defined in the guidelines on Alternative Performance Measures published by the European Securities and Markets Authority on 5 October 2015 (ESMA/2015/1415es) (the **ESMA guidelines**). This report uses certain APMs, which are performance measures that have been calculated using the financial information from Unicaja Banco and its affiliates but that are not defined or detailed in the applicable financial framework and therefore have neither been audited nor are capable of being completely audited. These APMs are aimed to enable a better understanding of Unicaja Banco's and its affiliates' financial performance but should be considered only as additional disclosures and in no case as a replacement of the financial information prepared under International Financial Reporting Standards (**IFRS**). Moreover, the way the Unicaja Banco defines and calculates these measures may differ to the way these are calculated by other companies, and therefore they may not be comparable. Please refer to Unicaja Banco's past and future filings and reports including those with CNMV and available to the public both in Unicaja Banco's website (<https://www.unicajabanco.com>) and in the CNMV's website (<https://www.cnmv.es>) for further details of the APMs used, including its definition or a reconciliation between any applicable management indicators and the financial data presented in the consolidated financial statements prepared under IFRS. In any case, the financial information included in this Presentation has not been reviewed to the extent of its accuracy and completeness and, therefore, neither such financial information nor the APMs shall be relied upon.
