Consideration of Unicaja Banco, S.A. individual annual balance sheet, as of 31 December 2017, as merger balance sheet. Submission to the special tax regime for mergers. Delegation of authority to the Board of Directors, with authority to subdelegate.

Approval of the merger by absorption of Banco de Caja España de Inversiones, Salamanca y Soria, S.A. ("EspañaDuero" – absorbed company) by Unicaja Banco, S.A. ("Unicaja Banco" – absorbing company), with winding-up of EspañaDuero through dissolution without liquidation and en bloc transfer of all of its assets and liabilities to Unicaja Banco, which, by universal succession, acquires all the rights and obligations of the absorbed company (the "Merger"), under the terms and conditions laid down in the common draft terms of merger signed by Unicaja Banco and EspañaDuero directors on 26 January 2018 (the "Draft Merger Terms").

For those purposes, and in accordance with the provisions of the Spanish Law 3/2009 of 3 April, on Structural Modifications of Companies (the "Law 3/2009" or "Law on Structural Modifications") and other applicable regulations, the following resolutions are adopted as part of a single transaction:

A) Consideration of the annual individual balance sheet of Unicaja Banco, S.A., as of 31 December 2017, as the merger balance sheet

Approval of the consideration as merger balance sheet of Unicaja Banco's individual annual balance sheet as of 31 December 2017, included in the audited individual annual accounts of Unicaja Banco, pursuant to that established in article 36.1 of the Law on Structural Modifications.

Unicaja Banco's individual annual accounts for the financial year 2017 (including, therefore, Unicaja Banco's individual balance sheet as of 31 December 2017) were audited by its statutory auditor, PricewaterhouseCoopers Auditores, S.L., which issued its unqualified audit report on 21 March 2018, and are submitted to approval by this annual general meeting of shareholders under item 1.1 of the Agenda.

B) Approval of the Draft Merger Terms

Approval of the full text and without any modification of the Draft Merger Terms, which is deemed to be fully reproduced for all the appropriate purposes.

Pursuant to the provision of Article 32 of the Law 3/2009, the Draft Merger Terms were posted on Unicaja Banco's corporate website (www.unicajabanco.com) from 26 January 2018, and on EspañaDuero's corporate website (www.bancocajaespana-duero.es) from the same date, with the possibility to download and print the document.

The publication of the Draft Merger Terms on the mentioned websites was announced at the Official Gazette of the Companies Register (Boletín Oficial del Registro Mercantil), respectively, on 6 and 8 February 2018, indicating the corresponding corporate website and the insertion date.

C) Approval of the merger agreement in accordance with Articles 40 of the Law 3/2009 and 228 of the Trade Register Regulations (Reglamento del Registro Mercantil)

Approval of the Merger in strict accordance with the terms and conditions of the Draft Merger Terms.

Pursuant to the provisions of Article 228 of the Trade Register Regulations and as an integral part of this merger agreement, the following circumstances are indicated, which strictly adjust to that established in the Draft Merger Terms:

C.1.- Identification of the merging companies

Absorbing company: Unicaja Banco, S.A. is a Spanish banking institution with registered address in Málaga, Avenida de Andalucía, 10-12, 29007 and tax identification number A-93139053.

Unicaja Banco is registered in the Trade Register of Málaga (Registro Mercantil de Málaga), in Volume 4952, Book 3859, Section 8, Sheet MA-111580, Folio 1, 1st registration, and in the Special Register (Registro Especial) of the Bank of Spain with the number 2103.

Absorbed company: Banco de Caja España de Inversiones, Salamanca y Soria, S.A. is a Spanish financial institution with registered address in Madrid, Calle Titán, 8, 28045 and tax identification number A-86289642.

Banco de Caja España de Inversiones, Salamanca y Soria, S.A is registered in the Trade Register of Madrid, in Volume 29.418, Folio 1, Sheet M-529500, 1st registration, and in the Special Register (Registro Especial) of the Bank of Spain under the number 2108.

C.2.- Exchange ratio

The ratio for the exchange of the shares of Unicaja Banco and EspañaDuero, which has been set based on the real value of their corporate assets and liabilities, as established in Article 25 of the Law on Structural Modifications, will be of one share of Unicaja Banco, with a nominal value of 1 euro, for every five shares of EspañaDuero, with a nominal value of 0.25 euros per share, with no complementary cash consideration.

C.3.- Manner of covering the exchange

Unicaja Banco will cover the exchange of shares of EspañaDuero, set in accordance with the exchange ratio established in section C.-2 above, with treasury shares. Therefore, a capital increase of the absorbing company will not be necessary for the execution of the merger.

In any case, pursuant to Article 26 of the Law on Structural Modifications, any shares of EspañaDuero held by Unicaja Banco and any treasury shares held by EspañaDuero will not be exchanged but will be cancelled. In this regard, it is stated that, as at 31 December 2017, EspañaDuero held 202,280,425 treasury shares, representing 19.94% of its share capital.

It is also stated that, as at 31 December 2017, Unicaja Banco held directly 777,145,356 shares representing 76.63% of EspañaDuero share capital, and indirectly, 476,400 shares representing 0.047%. This grants Grupo Unicaja Banco a total shareholding of 76.68% in EspañaDuero share capital.

This English version is a translation of an original document in Spanish for information purposes only. In case of discrepancy between both texts, the Spanish original will prevail.

Considering the exchange ratio mentioned in section C.-2 above, and considering that the total number of shares of EspañaDuero's current shareholders (other than Unicaja Banco and EspañaDuero itself) stands at 34,306,055 shares, the maximum number of shares that Unicaja Banco will have to deliver to the current shareholders of EspañaDuero (other than Unicaja Banco and EspañaDuero itself) is 6,861,211 shares.

In relation to the above, it is noted that Unicaja Banco will acquire, in accordance with the authorization granted by the general meeting of shareholders and by the European Central Bank, a maximum of 6,861,211 own shares during the precise period to cover the exchange ratio, always in compliance with the applicable regulations.

C.4.- Exchange procedure

Following the approval of the Merger by the general meetings of shareholders of Unicaja Banco and EspañaDuero, the next steps will be:

1.- Compliance with the following conditions precedent:

(i) Authorization by the Ministry of Economy, Industry and Competitiveness (Ministerio de Economía, Industria y Competitividad), as established in the twelfth additional provision of the Law 10/2014 of 26 June, on the ordering, supervision and solvency of credit institutions.

(ii) Obtaining any other authorizations that, because of the activity of EspañaDuero, may be required from the European Central Bank, Bank of Spain, Comisión Nacional del Mercado de Valores, Directorate General of Insurance and Pension Funds (Dirección General de Seguros y Fondos de Pensiones) or any other administrative body or supervisory institution.

2.- Registration of the merger deed at the Trade Register of Málaga.

3.- Exchange of the EspañaDuero shares for Unicaja Banco shares.

The exchange will take place from the date indicated in the notices that are required to be published in one of the most read newspapers in the provinces of Madrid and Malaga, in the Official Gazettes of the Spanish Stock Exchanges (Boletines Oficiales de las Bolsas de Valores españolas) and in the Official Gazette of the Trade Register (Boletín Oficial del Registro Mercantil).

For those purposes, Unicaja Banco will act as agent, and that fact will be indicated in the mentioned notices.

The exchange of EspañaDuero shares for Unicaja Banco shares will be carried out through the entities which participate in IBERCLEAR and that are the depositaries of the EspañaDuero shares, following the procedures established for the book-entry system, in accordance with the provisions of the Spanish Royal Decree 878/2015 of 2 October on the clearing, settlement and registration of negotiable securities represented by book entries, and applying, where applicable, the provisions of Article 117 of the Corporate Enterprises Act.

Holders of a number of EspañaDuero shares which, under the agreed exchange ratio, does not entitle them to receive an integer number of shares of Unicaja Banco may acquire or transfer shares for the resulting shares to entitle them to, according to the mentioned exchange ratio, receive an integer number of Unicaja Banco shares. This decision to buy or sell will correspond to each shareholder individually.

This English version is a translation of an original document in Spanish for information purposes only. In case of discrepancy between both texts, the Spanish original will prevail.

Notwithstanding the above, the merging entities have decided to establish a mechanism for the number of Unicaja Banco shares to deliver to EspañaDuero shareholders (other than Unicaja Banco) under the exchange is an integer.

The said mechanism will consist of the appointment of Finanduro, S.V., S.A., institution of Grupo Unicaja, as "fractions agent" (*agente de picos*) to act as counterparty for the purchase of odd-lots of shares. This way, every shareholder of EspañaDuero shares which, under the agreed exchange ratio and taking into account the number of shares of EspañaDuero held, is not entitled to receive an integer number of Unicaja Banco shares or is entitled to receive an integer number of Unicaja Banco shares but then has a number of EspañaDuero shares left over that is insufficient to be entitled to receive an additional share of Unicaja Banco may convey those left-over EspañaDuero shares to the fractions agent, who will pay their value in cash at a price of 0.25 euros per share.

Unless otherwise expressly stated in writing, it will be understood that all the shareholders of EspañaDuero accept the system to acquire odd-lots by the fractions agent herein established, and they will not have to send instructions to the institutions where their shares are deposited, which will inform them of the result of the transaction once that it is concluded.

As a result of the Merger, the shares of EspañaDuero will be cancelled.

C.5.- Rights to be granted in the absorbing company to the holders of special classes, to the holders of preferred participating securities and to those having special rights or, as applicable, the options that they are offered

In the merging entities there are no special shares or holders of special rights other than simple holding of shares, and no special rights or options are going to be granted to holders of shares other than those representing the capital. Consequently, there is no need to grant any special right or to offer any kind of option.

C.6.- Benefits extended to independent experts and directors

With regard to Article 31.5 of the Law on Structural Modifications, it is hereby stated that no benefits will be extended to the independent expert who will act in the merger process or to the directors of Unicaja Banco or EspañaDuero.

C.7.- Date from which the holders of the shares delivered in the exchange will have a right to participate in the corporate profits of Unicaja Banco

In accordance with that established in Article 31.6 of the Law on Structural Modifications, it is hereby stated that, as no new shares of Unicaja Banco are to be issued within the framework of the Merger (the exchange will be covered with treasury shares), no mention is to be made on this particular. However, it is remarked that the shares delivered by Unicaja Banco to the shareholders of EspañaDuero to cover the exchange, in compliance with the terms set in section C.2 above, will confer its holders, from the date on which the shares are delivered, the right participate in the corporate profits of Unicaja Banco on the same terms as the rest of shares of Unicaja Banco in circulation on that date.

C.8.- Effective merger date for accounting purposes

For the purposes of Article 31.7 of the Law on Structural Modifications, 1 January 2018 is established as the date from which EspañaDuero transactions will be

This English version is a translation of an original document in Spanish for information purposes only. In case of discrepancy between both texts, the Spanish original will prevail.

deemed as performed, for accounting purposes, on behalf of Unicaja Banco, as the merger will be approved by the general meetings of shareholders of Unicaja Banco and EspañaDuero in the year 2018.

It is hereby stated, for the appropriate purposes, that the accounting retroaction so determined complies with the General Chart of Accounting (*Plan General de Contabilidad*), approved by the Spanish Royal Decree 1514/2007 of 16 November, and with the Circular 4/2017, of 27 November, of the Bank of Spain, to credit institutions, on public and reserved financial information and financial statement models.

C.9.- Amendment of the Bylaws

As a result of the merger, there will be no amendment to the Bylaws of the absorbing company. Therefore, once the merger is completed, Unicaja Banco, in its condition as absorbing company, will continue to be governed by its current corporate Bylaws, published on Unicaja Banco's corporate website (www.unicajabanco.com) (copy attached as Annex to the Draft Merger Terms for the purposes of Article 31.8 of the Law on Structural Modifications).

Regardless of the above, two proposals to amend the Bylaws are submitted for approval at this General Meeting, under items 6.1 and 6.2 of the agenda. The Board of Directors of Unicaja Banco has prepared the corresponding explanatory report on the said proposals.

C.10.- Valuation of EspañaDuero assets and liabilities to be transferred

As a result of the Merger, EspañaDuero will be dissolved without liquidation, and its assets and liabilities will be transferred en bloc and by universal succession to Unicaja Banco.

For the purposes of Article 31.9 of the Law on Structural Modifications, it is noted that the assets and liabilities transferred by EspañaDuero to Unicaja Banco will be registered in Unicaja Banco's accounting for the amount that would correspond, once the transaction is carried out, in the group's consolidated accounts as at the date of the accounting effect of this Merger, that is, 1 January 2018.

All of the previous in accordance with the General Chart of Accountants (*Plan General de Contabilidad*), approved by Royal Decree 1514/2007, of 16 November, and Circular 4/2017 of 27 November, of the Bank of Spain, to credit institutions, on public and reserved financial information and financial statement models.

C.11.- Possible consequences of the Merger for employment

The merging entities will meet their obligations to inform and, where applicable, consult the legal representatives of their respective employees in accordance with employment law. Notice of the planned Merger will also be given to the appropriate public bodies, in particular the General Treasury of the Social Security Administration (Tesorería General de la Seguridad Social).

After the Merger, Unicaja Banco will complete the analysis of overlaps, duplicities and economies of scale arising from the process. As of this date, no decision has been made in relation to the possible measures on employment that may be necessary to adopt in order to proceed to the integration of the workforce as a consequence of the Merger. In any case, the integration of the workforce will be carried out respecting the legal procedures established in any case, and especially, those related to the right to information and consultation to the

workers' representatives, holding the corresponding meetings and negotiations to develop the mentioned workforce integration with the highest possible agreement between the parties.

The Merger is not expected to result in changes to the composition of Unicaja Banco's governing body.

The Merger is not expected to have an impact on Unicaja Banco's corporate social responsibility policy.

C.12.- Conditions precedent

The effectiveness of the merger is subject to the following conditions precedent:

- (i) Authorization by the Ministry of Economy, Industry and Competitiveness, as established in the twelfth additional provision of the Law 10/2014 of 26 June, on the ordering, supervision and solvency of credit institutions.
- (ii) Obtaining any other authorizations that, because of the activity of EspañaDuero, may be required from the European Central Bank, Bank of Spain, National Securities Market Commission (Comisión Nacional del Mercado de Valores), Directorate General of Insurance and Pension Funds (Dirección General de Seguros y Fondos de Pensiones) or any other administrative body or supervisory institution.

D.- Submission to the special tax regime

The Merger will qualify for the tax regime provided for in Chapter VII of title VII of the Spanish Law 27/2014 of 27 November on Corporation Income Tax Law ("CITL") and its second additional provision.

Consequently, this transaction will not be subject to the Tax on Property Transfer and Documents Duty (*Impuesto sobre Transmisiones Patrimoniales y Actos Jurídicos Documentados*, "ITPAJD"), modality Corporate Transactions (*Operaciones Societarias*), and will be exempt from the rest of modalities of the ITPAJD, in accordance with Article 45, paragraph I. B) 10. of the Restated Text of the Tax on Property Transfer and Document Duty, approved by Royal Legislative Decree 1/1993 of 24 September.

Within three months after the registration of the merger deed, Unicaja Banco will report to the appropriate Spanish Tax Agency the application of the mentioned tax regime.

SIX.- Amendment of the Corporate Bylaws.

(Proposed resolutions 6.1 and 6.2 will be voted separately.)

The shareholder Fundación Bancaria Unicaja, in the exercise of its right, in time and in due form, has presented an alternative proposed resolution to submit to the General Meeting related to the amendment of Article 29 of the Bylaws. The said proposed resolution varies with regard to that submitted by the Board of Directors to the General Meeting only in the incorporation in section 2 of Article 29 of the sentence which is underscored in the extract of the proposal below:

"2. The remuneration of directors due to their role as such shall be composed of a fixed remuneration and of attendance fees for attendance at the meetings of the Board of Directors and its Committees. The maximum annual aggregate remuneration amount that all Directors receive due to their role as such shall be approved by the General Meeting and shall remain unchanged until its modification is approved. The distribution of the remuneration among the different directors, within the limits set in the policy for the remuneration of directors approved by the General Meeting, shall be responsibility of the Board of Directors in the way that it determines, and it will take into account the duties and responsibilities allocated to each Director, their participation in Board Committees, the attendance to the meetings of the Board of Directors and its Committees and other objective circumstances which may be deemed relevant."

The Board of Directors has assumed as of its own the proposal made by Fundación Bancaria Unicaja, which incorporates to Article 29.2 the mentioned sentence, and shall submit it to voting at the General Meeting instead of its initial proposed resolution.

The rationale of the proposal made by Fundación Bancaria Unicaja is:

*"Within the framework of the provisions of Articles 529 septdecies and 529 octodecies of the Corporate Enterprises Act (*Ley de Sociedades de Capital, LSC*) a slight modification to the wording of Article 29 of the Bylaws prepared by the Board of Directors is proposed, so as to clarify that the capacity of the Board of Directors to distribute the remuneration internally among the directors according to the functions and responsibilities of each of them must respect, in any case, the terms and conditions of the remuneration policy of the General Meeting."*

6.1 Amendment of Article 29 of the Bylaws, which will read as follows:

"Article 29. Remuneration of Directors.

1. The position of director is remunerated. The remuneration policy for Board Members shall be subject to approval by the General Meeting of shareholders on the same terms as those established for listed companies.

2. The remuneration of directors due to their role as such shall be composed of a fixed remuneration and of attendance fees for attendance at the meetings of the Board of Directors and its Committees. The maximum annual aggregate remuneration amount that all Directors receive due to their role as such shall be approved by the General Meeting and shall remain unchanged until its modification is approved. The distribution of the remuneration among the different directors, within the limits sent in the policy for the remuneration of directors approved by the General Meeting, shall be responsibility of the Board of Directors in the way that it determines, and it will take into account the duties and responsibilities allocated to each Director, their participation in Board Committees, the attendance to the meetings of the Board of Directors and its Committees and other objective circumstances which may be deemed relevant.

3. Executive Directors shall be entitled, too, to receive remuneration composed of: (a) a fixed part, adapted to the services and responsibilities assumed; (b) a variable part, correlated to any indicator of the performance of the Director and the Company; (c) an assistance part, covering the appropriate welfare and insurance systems; and (d) compensation in case of separation or any other way of termination of the legal relationship with the Company and which shall not be due to non-compliance attributable to the Director; all of that in accordance with the terms and conditions established in the corresponding contract that the executive director signs with the Company, according to the regulations in force.

Determination of the amount of the remuneration items comprising the fixed part, the manner of configuring and indicators for calculation of the variable part, the assistance provisions, and the compensation or the criteria for calculation thereof, also corresponds to the Board of Directors, taking into account the remuneration policy.

4. Executive directors, as a part of the variable remuneration system determined by the Board of Directors in accordance with the remuneration policy applicable from time to time, shall be entitled to be remunerated by the delivery of shares or stock options, or by remuneration linked to the value of shares.

The application of any of these remuneration modalities shall be previously agreed by the General Meeting of Shareholders, which shall determine the maximum number of shares that may be granted in each financial year, the strike price or the system for calculation of the strike price of stock options, the value of shares which, if applicable, will be considered as reference, and the period of duration of the plan.

5. Additionally, the Board Members shall be entitled to the reimbursement of any reasonable expense duly justified and directly related to the exercise of their position of Directors.

6. The Company shall take out a liability insurance for its Directors in the usual conditions and proportional to the circumstances of the Company itself.

7. In any case, the remunerations of the members of the Company's governing bodies shall be adjusted to the provisions which, on that matter, are established in the company and banking regulations."

6.2 Derogation of the Transitional Provisions of the Corporate Bylaws.

Full effectiveness of the agreed statutory amendments is subject to administrative authorization of the Bank of Spain, in accordance with the provisions of Article 4 of the Law 10/2014 of 26 June, on the Ordering, Supervision and Solvency of Credit Institutions, and in Article 10 of the Royal Decree 84/2015 of 13 February, developing the mentioned Law 10/2014 of 26 June."
