Introduction and Purpose

The Board of Directors of Unicaja Banco, S.A. (“Unicaja Banco”, the “Company” or the “Institution”) has prepared the present report justifying the appointment of Directors, pursuant to the provisions of Article 529 *decies* of the Law on Corporate Enterprises (*Ley de Sociedades de Capital*).

In accordance with the provisions of section 4 of the mentioned article, the proposal for the appointment or re-election of the members of the Board of Directors corresponds to the Appointments and Remuneration Committee, in the case of independent directors, and to the Board itself in any other case. Section 5 establishes that the proposal shall be accompanied by a reasoned report of the Board, assessing the competence, experience and the merits of the proposed candidate, which will be attached to the minutes of the General Meeting or of the Board itself.

The Appointments Committee, on 24 February 2022, issued its report and proposal, which are assumed by the Board as of its own and attached to this report, in relation to the partial renewal of the Board of Directors, taking into account the document presented by the shareholder Global Portfolio Investment, S.L., where it expressed its will to appoint Mr. Rafael Domínguez de la Maza as a member of the Board of Directors when a vacancy occurs, and the resignations to their positions as Directors presented by Mr. Manuel Conthe Gutiérrez, on 15 February 2022, and by Ms. Ana Bolado Valle, on 22 February 2022, as well as the end of tenure, which will take place on 27 April, under which the following five member of the Board of Directors were appointed: Mr. Manuel Azuaga Moreno, Mr. Juan Fraile Cantón, Ms. Teresa Sáez Ponte, Ms. Petra Mateos-Aparicio Morales and Mr. Manuel Muela Martín-Buitrago. Furthermore, the Board of Directors issues this report that is submitted to the General Meeting of Shareholders of the Company, where it justifies the proposed appointment and re-election of members of the Board of Directors to carry out the mentioned partial renewal, and which will be submitted to the Annual General Meeting under item FIVE of the agenda.

In order to comply with the provisions of Article 518 e) of the Law on Corporate Enterprises, from the moment of publication of the notice of call and until the General Meeting is held, the Company will publish on its corporate website, in an uninterrupted manner, information on the identity, CV and category of each proposed candidate, as well as the proposal and reports referred to in article 529 *decies*. With the said publication, the requirements of Article 8.1.e) of the General Meeting Regulations are met.

For the partial renewal of the Board of Directors, the said body shall submit to the Annual General Meeting the following proposals for the appointment and re-election of directors, for the statutory period of three years:

Prior favourable report of the Appointments Committee:

Re-election of Mr. Manuel Azuaga Moreno, with the category of executive director.

The proposal for the re-election, as executive director, of Mr. Manuel Azuaga, is submitted to the General Meeting without prejudice to compliance with the commitment undertaken that the Chair of the Board shall become non-executive before 30 July 2023.

Re-election of Mr. Juan Fraile Cantón, with the category of proprietary director.

Prior favourable report and at the proposal of the Appointments Committee:

Appointment of Ms. Carolina Martínez Caro, with the category of independent director. (It is hereby stated that the effectiveness of the resolution is subject to obtaining the suitability verification and the corresponding regulatory authorizations.)

Given that the renewal of the Board of Directors will imply a decrease in the number of independent directors, the Board of Directors assumes the recommendation made by the Appointments Committee to restore the number of such directors. Individual suitability of directors

In accordance with the applicable regulations (Law 10/2014 of 26 June, on the organization, supervision and solvency of credit institutions, Royal Decree 84/2015 of 13 February, implementing the Law 10/2014 and Circular 2/2016, of 2 February, of the Bank of Spain, to credit institutions, on supervision and solvency, and completing the adaptation to the Spanish law the Directive 2013/36/EU and Regulation (UE) No. 575/2013, the European Central Bank 'Guide to fit and proper assessment' -December 2021-, the 'Policy for the Selection of Directors', the 'Diversity Policy', the 'Succession Policy', and the procedure established by the 'Policy for the Suitability Assessment of Board Members, Officers and Similar Positions and other Key Staff for the development of Unicaja Banco's financial activity'), the Appointments Committee, at its meeting held on 24 February 2022, carried out a suitability assessment of the above listed candidates to be appointed or re-elected as members of the Board of Directors of Unicaja Banco. The following conclusions were reached:

-) All the candidates have the good commercial and professional repute, honesty and integrity required for a sound and prudent management of the Company.
-) All the candidates have the appropriate knowledge and experience, as well as the competences needed for performing the position of Director at Unicaja Banco.
-) All of them have the capacity to dedicate sufficient time to the responsibilities arising from their positions.

-) All the candidates are in a position to perform a good governance of the Company and have the capacity to act with independent criterion.
-) All the candidates comply with the maximum number of positions and the incompatibilities regime established in Article 26 of the Law 10/2014 and its implementing provisions.

Additionally, in the case of the candidates to be re-elected following the provisions of Article 13.1 of the Board of Directors Regulations, the Committee has considered especially the quality of the work and the dedication to the position during the preceding tenure, taking into account the results of the yearly assessments of individual and collective suitability of the Board of Directors, its Committees and certain positions.

The Appointments Committee reports favourably on the proposal for the re-election of Mr. Manuel Azuaga Moreno as executive director, without prejudice to compliance with the commitment undertaken that the Chair of the Board shall become non-executive before 30 July 2023.

Collective suitability of the Board of Directors

The Appoints Committee has also analysed the composition of the Board of Directors which would result from the appointment or re-election as directors of all the candidates referred to in this report. It concludes that the Board of Directors, with the said composition, would meet, both individually and collectively, the suitability requirements needed to perform its duties. All of the above taking into account the business model, risk appetite framework, strategy and markets on which Unicaja Banco operates, and that it will have the effective capacity to make its decisions independently and autonomously to the benefit of the Company.

Specifically, the Committee considers that, following the partial renewal, the Board of Directors will have, as a whole, sufficient knowledge and experience to address of the areas of knowledge needed for the development of the Institution's activities.

The Committee considers that the Board of Directors, composed –with the analyzed composition- by 15 members (within the range of 8-15 members established in Article 16 of the Bylaws) complies, in terms of size, with the best corporate governance practices (Recommendation 13 of the Good Governance Code). Of the 15 directors, two would be executive directors (13.33%), eight would be proprietary directors (53.33%) and five would be independent directors (33.33%). Non-executive directors would constitute a large majority in the Board, thus following the Recommendation 15 of the Good Governance Code.

Furthermore, the ratio of independent directors stands at one third of the total directors, a ratio recommended for high capitalization companies where a shareholder controls more than 30% of the share capital, thus meeting Recommendation 17 of the Good Governance Code. However, given that the renewal of the Board of Directors will imply a decrease in the number of independent directors, the Appointments Committee recommends restoring the number of such directors. For that purpose, the first vacancy that occurs at the Board of Directors will have to be covered by the appointment of an Independent Director.

With regard to gender distribution, the Board would be composed by 5 women and 10 men, corresponding to 33.33% and 66.67% of the board, respectively, thus complying, by now, with Recommendation 15 of the Good Governance Code for listed companies.
